Winterization Procedures

Sterndrive Motor

- 1) Ensure proper operating condition and flush cooling system.
- 2) Run the engine sufficiently, bringing up to normal operating temperature allowing a portable gas tank filled with a mixture to circulate through the fuel system.
- 3) Drain water from engine block and fill internal water passage with anti-freeze. The anti freeze contains a rust inhibitor.
- 4) Spray lubricant on all external engine parts to prevent against corrosion.
- 5) If the engine is a fresh water cooled system the anti-freeze will be inspected.

Inboard Motor

- 1) Ensure proper operating condition and flush cooling system.
- 2) Clean sea strainer and ensure removal of any debris.
- 3) Run anti-freeze through engine block and raw water engine components.
- 4) Spray lubricant on all external engine parts to prevent against corrosion.
- 5) If the engine is a fresh water cooled system the anti-freeze will be inspected.

Outboard Motor

- 1) Perform compression test.
- 2) Run engine to ensure proper operating condition and flush cooling system.
- 3) Run the engine sufficiently, bringing up to normal operating temperature allowing a portable gas tank filled with a mixture to circulate through the fuel system.
- 4) Grease all zerk fittings.
- 5) Drain and re-fill gear lube, reinstall drain screws and replace gaskets.
- 6) Spray lubricant on all external engine parts to prevent against corrosion.

Outdrive Service

- 1) Remove unit AND STORE INDOORS FOR WINTER
- 2) Inspect universal bearing, universal joints, bellows, shift shaft bushing, etc.
- 3) Drain and re-fill gear lube, reinstall drain screws and replace gaskets.
- 4) Grease shaft and all zerk fittings.
- 5) Reinstall unit in Spring

Water Systems Service

- 1) Drain water from system.
- 2) Run anti-freeze through the system.
- 3) Inspect system for visible leaks.

Shrink Wrap Services

- 1) Canvas snap service includes replacement of broken snaps on canvas only. Broken snaps on the boat may require fiberglass repair not included in this service. This service does not include patching or sewing. Quotes for complete canvas repair are available upon request.
- 2) Shrink wrap service includes shrink wrap, mildew bags and 3M protective film. Spring shrink wrap removal and disposal is not included. OUR SHRINK WRAP SERVICE IS WARRANTIED FOR 1 SEASON.

Please list any additional services you would like performed and an estimate will be provided
